1. Make shortbread dough

Preheat oven to 350°F. Spread **¼ cup coconut** on a baking sheet; toast until just golden, 4-5 minutes (watch closely). In a medium bowl, combine **1 stick softened butter**, **½ teaspoon salt**, and **⅓ cup confectioners' sugar**. Beat on medium until light & fluffy, 2-3 minutes. Slowly add **1 cup flour & toasted coconut**. Dough will be crumbly. Transfer to 8-inch tart, cake pan, or skillet.

2. Bake shortbread cookies

Press **dough** into an even layer with your fingers. Use a fork to prick surface of dough all over. Sprinkle with **2 tbsps untoasted coconut** and **1 tablespoon granulated sugar**. Score dough into 12 even triangles. Bake until shortbread is lightly golden, 25-30 minutes. Remove from oven; immediately cut using scored lines as guides. Let cool in the pan before separating the cookies. Enjoy!

3. Make muffin batter

Preheat oven to 400°F. In a medium bowl, whisk together **1 large egg**, **3 tablespoons oil**, and **¼ cup granulated sugar**. Add **¾ cup self-rising flour**, **½ teaspoon warm spice blend**, and **⅓ cup milk**; stir until just combined. Evenly divide **batter** between 6 greased or lined muffin cups (about ¼ cup batter in each).

4. Bake & glaze muffins

Bake muffins on center rack of preheated oven until deeply golden and a toothpick inserted in center comes out clean, 18-20 minutes. Let cool 10 minutes. While muffins cool, melt **2 tablespoons butter**. Stir together **melted butter**, **½ cup confectioners' sugar**, and **1 tablespoon milk**. Dip muffin tops and bottoms in glaze to fully coat; roll in **about ¾ cup confectioners' sugar**. Enjoy!

5. Make chocolate cake

Preheat oven to 350°F. Melt **chocolate chips** and **4 tablespoons butter** in a bowl in microwave (check every 10 sec). Stir until smooth. Whisk in **cocoa**, **¾ cup granulated sugar**, **½ cup milk**, and **1 large egg**. Stir in **1 cup self-rising flour** and **½ teaspoon salt**. Scrape batter into a greased 8-inch pan. Bake until toothpick into the center comes out mostly clean, about 30 minutes.

6. Make cake toppings

While **cake** cools, toast **pecans** in oven until fragrant and lightly browned, about 10 minutes. Roughly chop. In a small skillet, combine **brown sugar**, **4 tablespoons butter**, **2 tablespoons milk**, and **¼ teaspoon salt**. Bring to a simmer over medium-high and cook, stirring, until slightly thickened, 2-3 minutes. Pour **caramel sauce** over **warm cake** and top with **pecans**. Enjoy!
