1. Make cake batter

Preheat oven to 325°F. Grease an 8-inch springform cake pan. In a medium bowl, whisk ½ cup granulated sugar, ¼ cup oil, and 1 large egg until thick and creamy. Add ¾ cup self-rising flour, ½ cup hot tap water, and ¼ cup cocoa powder, whisking until just combined. Pour batter into prepared pan, spreading to the edges.

4. Finish thumbprint cookies

Squeeze **raspberry preserves** into the center of **half of the cookies** (about about ¼ teaspoon each). Repeat with **apricot preserves** and **remaining cookies**. Bake on center oven rack until deep golden around the edges, 12-15 minutes (they will spread). Transfer to a wire rack to cool. Dust with **1-2 teaspoons confectioners sugar**, if desired. Enjoy!

2. Make meringue & bake

In a medium bowl, beat **3 large egg whites** and **a pinch of salt** with an electric mixer on high until foamy. Slowly, add ¾ cup granulated sugar and **2 tablespoons cocoa powder**, beating until soft peaks form, 3 minutes. Spread **meringue** over **batter** in pan. Bake on center oven rack until puffed, crackled, and dry to the touch, 40-50 minutes. Cool in pan (it will deflate). Enjoy!

5. Bake sugar cookies

Preheat oven to 350°F. In a medium bowl, beat **6 tablespoons softened butter**, **1 cup confectioners sugar**, and **a pinch of salt** with an electric mixer until creamy. Mix in **1 large egg** and **1 cup self-rising flour** until a soft dough forms. Halve dough onto a parchment-lined baking sheet. With generously **floured** hands, shape each dough into a 2-x 10-inch rectangle.

3. Prep thumbprint cookies

Preheat oven to 350°F. In a medium bowl, stir to combine **cake mix**, **3 tablespoons water**, **1 tablespoon oil**, and **2 teaspoons pie spice**. Roll into 12 (1-inch) balls and place on a parchment-lined baking sheet, leaving 1 inch between each cookie. Press your thumb into the center of each to make an indent.

If dough is too sticky, refrigerate for 15 minutes before making indents.

6. Ice & cut cookies

Bake **cookies** on center oven rack until deep golden around the edges, 18-20 minutes (they will spread). Let cool completely. In a sealable bag, crush **peppermints** with a rolling pin or meat mallet into fine pieces. In a bowl, whisk **1 cup confectioners sugar** and **2 tablespoons milk**. Spread icing over each; sprinkle with peppermints. Let icing set, then cut into 1-inch pieces. Enjoy!
