

Starlight Peppermint Brownies

with Chocolate Glaze

5h

2 Servings

'Tis the season to indulge in festive baked goods, and decadent brownies are always a crowd-pleaser! These three-layer bars feature a rich brownie layer topped with a creamy condensed milk filling and a chocolate ganache glaze. Crushed peppermint candy on top is a nod to the holiday season and gives this treat a burst of refreshing peppermint flavor. (2p serves 12; 4p serves 16)

1. Prep brownies

Preheat oven to 325°F with a rack in the center. Grease an 8x8-inch baking dish, then line with parchment paper, leaving a 2-inch overhang on the sides (this will help lift brownies from the dish).

In a large bowl, whisk to combine **granulated sugar, all of the cocoa powder, and ½ teaspoon salt**. Whisking constantly, pour **½ cup melted butter** into sugar-cocoa mixture in a steady stream.

2. Bake brownies

Stir **1 teaspoon vanilla** into **sugar-cocoa-butter mixture**. Add **2 large eggs**, one at a time, whisking vigorously after each addition. Stir in **⅓ cup flour** until combined. Pour brownie batter into prepared baking dish. Use a spatula to smooth surface to an even layer. Bake brownies on center rack until a toothpick comes out almost clean, 25-30 minutes. Set aside to cool completely.

3. Make filling

Meanwhile, in a medium bowl, combine **confectioners' sugar, all of the cornstarch, ¼ cup plus 1 tablespoon condensed milk, ½ teaspoon vanilla, and a pinch of salt**. Use an electric mixer to whip until evenly mixed and thick, about 3 minutes. Use wet hands to evenly spread condensed milk mixture over **cooled brownies** in an even layer. Transfer to refrigerator; chill for 15 minutes to set.

4. Make chocolate glaze

While **brownies** chill in the fridge, in a small saucepan combine **chocolate chips, 1 tablespoon each of milk and butter, and a pinch of salt**. Cook over low heat until chocolate is melted and completely smooth. Remove from heat and let chocolate glaze cool slightly, about 5 minutes.

5. Crush peppermint

Transfer **peppermint candies** to a resealable plastic bag and crush with a meat mallet, rolling pin, or heavy skillet to make small bits.

6. Finish & serve

Pour **chocolate glaze** over **chilled brownies**, then sprinkle with **crushed peppermint**. Return to fridge and chill until chocolate glaze is fully set, 30-45 minutes. Remove **brownies** from pan and cut into squares, wiping knife and dipping in warm water between each cut to get clean layers. Store **brownies** in the fridge until ready to serve. Enjoy!
